

Technical drawing of a cross-section of a concrete structure. The drawing shows a vertical wall on the left and a horizontal base. The wall has a total height of 35 units. The base has a total width of 35 units. The wall is composed of several layers: a top layer of brickwork (indicated by a brick pattern), a middle layer of concrete (indicated by a stippled pattern), and a bottom layer of concrete (indicated by a diagonal hatching pattern). The base is composed of a top layer of concrete (indicated by a stippled pattern) and a bottom layer of concrete (indicated by a diagonal hatching pattern). The drawing includes the following dimensions and labels:

- Overall height: 35
- Overall width: 35
- Top layer height: 10
- Middle layer height: 10
- Bottom layer height: 15
- Top layer width: 10
- Middle layer width: 10
- Bottom layer width: 15
- Label: C-12/15
